

*Do you have a dream for Guiding in Southern Vancouver Island?*

*The Divisions Legacy Fund Committee is inviting project proposals for ideas that are long lasting, significant and that will benefit the majority of both present and future SVI members.*

## **SVI DIVISIONS LEGACY FUND**

When the South Vancouver Island Divisions were dissolved in June of 2008, a Legacy Fund was created from a portion of the monies that the Divisions held at that time. These monies had accumulated over the years by members past and present, from cookie sales, registration monies and other fundraisers, to finance the running of their Division Councils and their Divisions. On closing, some of these funds were reallocated to the Districts and Area for the various new financial responsibilities that were taken over by these Councils, on the dissolution of Divisions. The remainder formed the new Girl Guides of Canada Southern Vancouver Island Legacy Fund.

As these funds are a legacy of all the Divisions in SVI past and present, the purpose of the SVI Legacy Fund is to use the funds from Divisions to create a project or projects that will be a legacy into the future, and will benefit current and future members of Guiding in SVI.

**Any SVI adult member may submit proposals for consideration using the form provided. Deadline for proposals to the Divisions Legacy Fund Committee is November 1, 2010, at which time all submissions will be evaluated.**

Please note: According to the terms established for the Divisions Legacy Fund, approved projects will need to be completed prior to June 30, 2013.
