

“KIRBY” site: one large dining shelter with counters for cooking + wood-stove + two long picnic tables with benches; flagpole, well with hand-pump; fire-pit; outhouse; LDU; Panabode for equipment storage; field space for tents; four gravel tent pads (use is optional).

“BRIDGES” site: similar amenities to “KIRBY” but has two large shelters- one with counters + wood-stove + pick-nick tables; second shelter no stove + minimal counters + many tables. No gravel tent pads.

“GATEWAY” site: outhouse; flagpole; no well (may use wells on other 2 sites); very small dining shelter does not accommodate 40 campers, plenty of space for tents; often used for smaller groups or booked together with another site and used as overflow for tents or program area.
